They guard things and bark to keep away trespassers.
They are also very aggressive when chained up for so long, but if you're lucky, they may just play rough.

Well, it's REASSURING to know that no matter what dimension I fall into, large dogs will always be the bane of my existence, hehe.

Deep sleepers, huh? I guess I can work with that...

You are starfishing. Are you...dehydrated or overheating...do you need help?

As much as I want to question your obscure knowledge on penguins, I think I'll be fine...I just have to power through it...

Ok, Luigi. Your toolbox isn't going anywhere, so find something to help KP....uh maybe in those-

-glowing...question blocks? What's inside these things?
Money? Treasure? Surely the koopas find these impor-

Oh my! YOU'RE HANDSOME!

Oh, uh...thanks? But...why?
